

Diagramming - Sentence Types

Directions: Read each sentence and determine whether it is declarative, imperative, or interrogative, writing the sentence type on the line. If it is interrogative, rewrite the sentence as a declarative sentence (without adding or subtracting any of the words in the sentence). Finally, diagram each sentence according to the guide you were provided.

1) _____ Some students will use their notes.

2) _____ Will you listen carefully and follow directions?

3) _____ Follow the instructions closely.

4) _____ The attentive students will succeed.

5) _____ Trust your judgement.

6) _____ Can we see some other examples?

7) _____ The details are very tricky.

8) _____ You can learn this material.

9) _____ Use your resources.

10) _____ Did you memorize your flashcards?
