

Diagramming Pep Talk

On a separate sheet of paper, please re-write and then diagram each of the sentences below. Use your resources to help you.

- 1) Mr. Ritt and Ms. O'Shea have been teaching grammar to their students everyday.
- 2) Over time, more students will use the Step-by-Step and find greater success.
- 3) Did you just throw words and lines on a page and give up?
- 4) Hey, I am trying to help you with this.
- 5) Listen to the wise words of your exhausted and well-meaning teachers.
- 6) On most days, our high expectations may seem quite annoying.
- 7) We simply want success for each of our very capable students.
- 8) How will diagramming make a difference in your life?
- 9) Hard work, determination and grit will help you to succeed.
- 10) Don't give up, ask for help, and be positive.
